# OPEN FORUM

Michelle, new alternate GSR for *Journey to Discovery*.

I'm an addict named Elizabeth, I am the new GSR for The *Pompano Beach Meeting* on Wednesday nights. We meet every Wednesday night from 8-9 pm.

My name is Bill I am an addict, new GSR for *From the Heart Group*.

I'm an addict named Herb, I'm the GSR for *A New Midnight*, we are changing our Friday night format to step study and Saturday will stay the same.

I am an addict, my name is Toni. It has come to my attention that many groups are under the mistaken impression that their meeting will automatically be deleted from the Gold Coast Area meeting list when their group is deleted from the ASC roll call. Because of this, the new meeting lists coming out today list a meeting which no longer meets. I would like everyone to be clear on the fact that the ASC roll call and the Gold Coast Area meeting list are not identical—your meeting will remain on the meeting list so long as it continues to meet, regardless of whether your group is on the ASC roll call or not. The purpose of the meeting list is to inform the addicts as to when and where to find an NA meeting, NOT to reward a group for participating in our area's business meetings!!!

**LITERATURE:** Cindy F. 754 423-2680

The Literature Subcommittee is very busy with review and input on the 6<sup>th</sup> edition Basic Text project. Our last workshop will be held on Saturday Jan. 6, 2007 from 1pm to 5pm at Safety Town. The flyer is on the website and we

will have food, fun, fellowship, and door prizes, or junkie treats as I think of them. We have had 2 very successful and productive workshops so far with participation from newcomers and oldtimers alike and I'm very grateful to be a part of this process. I especially want to thank all the Area and Regional trusted servants who have gotten involved and participated in this subcommittee. If anyone still wants a draft that hasn't been able to get one please come see me and I will get one for you.

We are meeting once a month now, on the 2<sup>nd</sup> Saturday of the month, at 9am, at Safety Town. We are still asking for new members and especially need help with typing and submitting the input because my computer skills suck! (As you can see from this report.)

I will be attending the RSC in Venice (Florida, not California, and sadly, not Italy!) next weekend and I am requesting the \$100 travel allowance. I am also planning on attending the Zonal Forum in Orlando in January. I think the Area should consider raising the travel allowance since \$100 doesn't even cover the hotel room and gas prices are constantly rising these days. I am not bringing that as a motion today but probably will in the near future. If we want our Area trusted servants to be able to travel and participate on the Regional, Zonal and World levels I believe the Area should provide for their expenses so that the best addict for the job can participate, not only the addict who is financially secure.

I am turning in receipts today for rent and all other expenses for the 2<sup>nd</sup> workshop and requesting the needed funds for the 3<sup>rd</sup> workshop. I really want to thank the trusted servants who stepped up when our treasurer wasn't here last month, you did a great job under very difficult conditions.

In Loving Service,  
Cindy F.

**PUBLIC INFORMATION:** Toni P. 954-792 2160

December 2006

Public Information Committee Report

I am an addict, my name is Toni. Public Information met on Sunday, December 3, with four members present.

The PI information booth at the Broward County Fair on November 18 was a huge success. Our booth volunteers included four NA members from South Broward Area PI. Our booth placement this year, just four booths away from the fair entrance, gave us a great deal of exposure, as all fairgoers had to pass our booth on their way in to the fair.

New meeting lists are ready, with four additions, so each group is entitled to 10 free meeting lists. Unfortunately, however, there is a meeting on the list that no longer meets, a fact of which we were not aware until after the meeting lists were printed. In an effort to insure that this does not happen again, I am asking that any group which has changes to its meetings—days, times, locations, formats—or which ceases to meet, please contact me by phone or email immediately and let me know of the change. We never want to send a newcomer to a location where there is no meeting!

All Gold Coast Area meetings have been updated on the na.org online meeting locator. Please listed for your group's name. The changes are as follows:

Updated meeting information for the following groups:

5:30 Group (new location)  
GOD (new location)  
New Freedom (different day)  
No Pain No Gain (new location)  
Road to Recovery (new location)  
Sunland Park (new location)  
When at the End of the Road (additional meeting)  
Breakfast Club (new location)  
Hispanos Unidos (new location)  
Noontime Recovery (address correction)  
Room 4 Change (new location)  
Tuesday Night Steps (address correction)  
For Addicts Only (new location)  
New Beginnings (additional meeting)  
Other Side of Town (address correction)  
Saturday Night Recovery (address correction)  
West Side Story (address correction)  
One More Shot (new location)  
Beach Meeting (deleted Saturday meeting)

For all of the groups just mentioned, Gold Coast Area ASC is now listed as the contact. I am asking each of those groups to give me updated contact information if they wish to receive correspondence directly from World Services.

The following groups' meetings were deleted entirely:

Why Not Tonight (Sunday)  
Unnamed Group (7 days at 2301 NW 9<sup>th</sup>)  
New Sunday Night Review (Sunday)  
It's All About Us (Sunday)  
1,2,3 Recovery (Monday)  
Clean Slate (Monday)  
By the Book (Tuesday)  
Steps by Starlight (Tuesday)  
Recovery Connection (Wednesday)  
Key to Recovery (Wednesday)  
Just Between Us (Wednesday)  
At the End of the Road (Wednesday)  
Keepin' it Real (Thursday)  
Unity in Recovery (Thursday)  
Recovery Process (Friday)

If any of these groups are still meeting, please contact me immediately, as we have no information for your meetings.

The following groups are NOT registered with NA World Services:

Surviving Sundays  
Recovery Now  
Sunday Serenity  
Serenity at 9PM  
Just for Today  
Getting in Touch  
Monday Night Live  
Learn 2 Listen, Listen 2 Learn  
Women of Substance  
Circle of Unity  
We Do Recover  
Footprints in the Sand  
Twelve  
A New Midnight

I have registration information for these groups. PI is requesting that these groups register with NA World Services so that these meetings will be available on the online meeting locator. At the RSC next weekend I will be asking the RSC to confirm me as region web contact with World Services, and as such I will be granted access to the NA World Services online database and will be able to make all meeting changes as they are reported to me.

The next PI information booth will be at the Sistrunk Festival at Delevoe Park on Saturday, February 24, 2007. We are looking forward to this event, and hope to see all of you there.

The PI Committee is workshopping PI policy in an effort to correct and update existing PI policy. We will also develop two contingency plans—one for NA Members to follow when they receive requests for NA information, and one for meeting information following hurricanes.

The website is up-to-date, and all available ASC minutes from 2002 onward are archived online. They can be found on the Gold Coast Area website by going to the ASC Minutes page and clicking on "Go to Gold Coast Area Minutes Archives."

Our next PI Committee meeting will be held on Sunday, January 7, 2007, at 2:00 PM at the Peer Center.

PI Tip of the Month: NEVER DO A PI PRESENTATION ALONE!!! Whenever an NA member is asked about Narcotics Anonymous by an individual representing an agency or organization, THIS IS A PI PRESENTATION!!! In this instance, you should always get the individual's contact information and refer the matter to PI.

That is all for PI this month.

In Loving Service,  
Toni P.

Post the Regional Contact list on the Regional Website and password protect it. This will also include trusted servants from member ASC's.

INTENT: To provide one place that has telephone numbers of all trusted servants in this region

**Pro:** Having One Safe place for all Current Contact Information is very Important for Regional Trusted Servants; this place should be easily accessible by all elected Area Trusted Servants as well so the exchange of communication necessary for services can take place.

**Con:** We, as regional trusted servants know where to find the telephone numbers of other trusted servants, if we need it, and we cannot publish a list without first contacting each and every trusted servant in all the areas, it is just not necessary.

### **Delete HI-4, J – Do's and Don'ts for H&I Work**

#### **J. Do's and Don'ts for H&I Work**

The World H&I Committee has compiled this list based upon the experiences of committees around the world who sent their input on this matter. They provide some very helpful guidelines, and should help you avoid pitfalls others have fallen into.

##### **DO'S**

1. DO make directories of outside meetings available to residents
2. DO clarify the institution's rules with anyone you bring in
3. DO start and end on time!
  
4. DO try to get residents involved, especially in long-term facilities (i.e.: group secretary, literature person, etc.)
5. DO obey all dress codes. Exercise common sense and respect for the facility in what you wear
6. DO keep staff aware of your whereabouts at all times.
7. DO follow all security regulations at all times.
8. DO stamp all literature you bring into the institution with the local Helpline number
9. DO screen speakers carefully, especially regarding the clean time requirements of the facility

##### **DON'TS**

1. DON'T break another persons anonymity or tell his/her story
2. DON'T get involved in discussions about an inmate's guilt or innocence
3. DON'T debate any issues involving institution rules or regulations
4. DON'T debate which drugs are acceptable. NA is a program of complete abstinence from all drugs
5. DON'T discuss conditions within the institutions, or opinions about staff members
6. DON'T give or accept gifts
7. DON'T carry excessive cash or wear expensive or flashy jewelry
8. DON'T show favoritism to any inmate(s)/patient(s)
9. DON'T mail letters for inmates or patients
10. DON'T give out any other person's address or phone number
11. DON'T carry in any contraband items, such as cigarettes (if applicable) or weapons

Remember at all times that you have a responsibility to the institution, to the inmates/patients and to Narcotics Anonymous. If you observe the above suggestions, and follow the Twelve Traditions, you will uphold your responsibilities to all three.

## **Attachment B:**

### **Delete from HI-4:**

#### **H. Working with Others: Men with Men, Women with Women**

Some facilities house only men or only women. Other facilities house men and women separately. Whenever this is the case, only same-sex NA members should chair H&I meetings in those facilities or work closely with the inmates/patients, though this does not exclude members of the opposite sex from participating in meetings. Experience has taught us that we can avoid many possible problems if we follow this simple guideline. Problems that arise in this area have the potential to seriously damage the credibility of Narcotics Anonymous. Even though we may be innocent, just the appearance of problems of this nature can do irreparable harm. Please use sound judgment in this area.

#### **I. Adolescents**

Many NA members who have worked with adolescents in an H&I setting have noticed that there are some special concerns that should be taken into account in guidelines such as these. We enter into this discussion guardedly, though, because we do not wish to create the impression that some addicts are "different". The issues here represent the stated experience of members who have carried the message to adolescents in institutions. In no way are these points presented as dogma that will apply in every case. They are instead presented as points for your consideration, to be used in whatever way makes the most sense.

Four major issues come to the fore in any discussion of working with adolescents in an H&I setting. One, the adolescent seems to respond strongly to role modeling; two, the adolescent is very peer group oriented; three, significant adults in the young person's life must be respected and taken into account; and four, adolescents respond particularly well to an approach which include positive rewards, such as key tags, chips, etc.

### **Change HI-10: WORKING WITH OTHERS:**

#### **From:**

#### **WORKING WITH OTHERS**

Some facilities house only men or only women. Other facilities house both women and men, but keep them separate. While other facilities house both men and women together. IT IS VITAL THAT YOU AS A CHAIRPERSON OR CO-CHAIR CHECK WITH YOUR H&I SUBCOMMITTEE FOR GUIDELINES AS TO WHO (male or female) MAY ATTEND THESE MEETINGS IN YOUR RESPECTIVE FACILITY. Remember, our primary purpose is to carry the message of recovery. ~~Problems that arise in this area have the potential to seriously damage the credibility of Narcotics Anonymous.~~
