SUBCOMMITTEE REPORTS

RCM: Carol L. 754 581 2975

July 7, 2006

Hi, I am an addict , Carol, grateful to be in service in this area.

I attended region in Naples and I believe all of our subcommittees were represented except helpline. There was no communication from the chair of that committee informing me that they would NOT attend. Therefore I did not know that we needed representation. Please in the future, any subcommittee chairs not attending region must inform either the RCM or the vice – chair of the area in order to fulfill their responsibility.

The motion that this area brought to region : 10-04-06 (to delay implementation of 18-10-05 until guidelines are passed) included in this month's minutes and sent back to areas due to it being left out last month.

3 other motions regarding this were brought to the floor- all tabled until admin

FYI - Region will be meeting every 2 months for now

Nominations to be voted on :

Regional Chair- Vote of Acclamation : Phil K

Activities: Adrian K

H & I : Harry W.

Secretary : Yvette H.

Treasurer : George C.

Vice-chair : Mattie Z - Mike L – Ellen J.

Note: there is controversy for this position. Many questions were asked of one of the nominees. More info upon request.

I have the RD's report in full available to anyone interested. He went to the WSC 2006 and the report has some amazing information. I also have available to any GSR- a CD with pictures and info re:WSC . A point of interest- Russia, Iran and South Africa were all seated as regions on the floor at the WSC 2006. Please take advantage of the info for yourself and your homegroup.

Another point of interest is the Basic Text project. This area should consider how important it is to be represented in this historical time in NA history. We are at the review and input level and we really need to have a rep at the area and regional level. Anyone with any interest please go online and go to the basic text link for more info. If you would like to become rep see any trusted servant for guidance.

Another point of interest is that the 2008 SFRCNA convention 's host committee will be on the East Coast – therefore it would be a good idea for the vice – chair of 2007 convention be from that area. Nominations are needed. The commitment would mean meeting 1 time per month on the west coast over the next year. See me with any questions.

Next RSC will be in Naples in August. Info will be in next month's minutes and online.

I remain in loving and grateful service, Carol L

ASC VICE CHAIR: Greg H. 954-245-1676

ACTIVITIES: Johnny H. 954-822-5356

I am addict name Johnny. I would like to thank everyone who came out to the unity day. Sorry I do not have the breakdown for this event I will have it at the next area. We still have some tickets for our 28th anniversary so please get your tickets. Now about the picnic this is a shame for this area. I do not understand this we have a free picnic and we did not get support from our area's chairs like ASC vice chair, convention, helpline, newsletter and public information and our gsr's and some of the homegroups did not support this

event, and we had some newcomer & treatment center was out their. And this was about unity in our area. We understand now we got a life and life shown up. But let not forget about how we got this life. Because we are activities we plan all those event for our area to have a good time and gave the newcomer something to do and have fun without drugs and we work hard and we have a life to. Lets stop and think about this , let do it fort the newcomer lets be there for them. We are asking all the gsr's please help us. Please give your homegroups our flyers that we pass out. Yes I do a lot of meetings and I do not hear about our event in some homegroups. If you think about this, this be your money from your homegroup that let us put this event on., So you can come out and see how your money is used.

In loving service Johnny H. 954-822-5356

PUBLIC INFORMATION: Toni P. 954-792 2160

July 2006 PI Report

Greetings from Public Information. I am an addict, my name is Toni.

PI is not very busy right now. We are still waiting to hear about our booth for the Broward County Fair in November. Additionally, we are looking into local events coming up in September for this year's National Recovery Month.

On the regional level, PI is working on a project to bring Narcotics Anonymous into many small towns and cities in the south central portion of the state, cities which have absolutely no NA meetings. We are making a list of experienced PI presenters who can assist us in PI presentations we hope to schedule in these areas. I am asking anyone who can help assist in these presentations to please let me know. There are too many cities in south central Florida with no NA meetings. Surely there are suffering addicts in these cities, and we need to offer them the same hope we have found.
